This 8 m. little lady has very fem. head the nose could have more pigm. and the ears are a little bit side wards. maybe it's a question of age. She has good shoulder, cor body, very well topline, cor placed tail, in the movement she looks a little bit high on heels. She moves very well and for the future it looks good.

Looking and behaviour is as a real champion has to be, he has a very nice head, very good neck and feeling, very good bone and angulation, and what I like very much is that you see a very close connection to the handler, and he is extra well trained. He moves correct.

Bästa veteran!
11 year.
It's unbelievable to see a frenchy from that age in such a good condition, he is still a very typical friendly and even in that age he is a very good mover. Thankyou to the owner that he shows me a dog in that condition! I wish both some pleasant years together.
